LASH&BROW
LIFTING

Give your eyes
seductive brilliance
and fascinate beautiful
wavy eyelashes!

Give your eyes seductive brilliance
and fascinate beautiful wavy eyelashes!

The effect of long and curl eyelash can last for a long time.

The eyelash lift is an innovative way
to curl eyelashes and make them look.

"Like Cosmetic" is a professional company trusted in
manufacturing quality beauty products.

Our new eyelash lift products are one
of the best things you can invest your money in.

The products are organized and packaged
with sequential labels. These are to make sure you
follow the curling process from the first step to the last.

The curl set is ideal for anyone who wants
extra curl to the natural look of their lashes.

1

LASH LIFT PERMING SOLUTION

is a gentle & effective cream formulation, which is safe and easy to apply. The thick cream consistency makes it less likely to drip into the client's eyes. It allows natural lashes to be softened and curled easily around the grooves in the shield. Our special formula is fast-acting and speeds up the perming process which improves the efficiency of the treatment.

Available in 3 pack sizes

Pump Airless 10ml

Pen Airless 10ml

Box of 10 sachets of 0.8ml

2

LASH LIFT FIX LOTION

is a gentle & effective cream formulation, which is safe and easy to apply. The thick cream consistency makes it less likely to drip into the client's eyes. The added neutralizer will 'fix' the shape of hair for approximately 6-8 weeks.

Available in 3 pack sizes

3

LASH LIFT NOURISHING LOTION

is a preparation with which the eyelash/eyebrow lifting treatments are completed. It gives the hair brilliance, nourishment and protection from external influences, which is very important after eyelash and eyebrow treatments.

Available in 2 pack sizes

Pump Airless 5ml

Box of 10 sachets of 0.8ml

LASH&BROW VITAMIN BOTOX

has been specially formulated to provide maximum nourishment to the lashes, thus optimising the treatment result. Besides hydrolysed keratin proteins and hydrolysed jojoba proteins, it contains functional ingredients: 3 vitamins (A, B, E) and 1 provitamin (B5) as well as 3 natural oils. A working energy formula for the eye-lashes.

Content: 5ml

LIKE POWER GLUE FOR EYELASH LIFTING/LAMINATION

Adheres the perm curler to the eyelid and also the curl to the eyelash. With applicator brush. Very good and strong quality! Great to work with and holds strongly.

Without PREMIUM DUAL SERUM

With PREMIUM DUAL SERUM

EYELASH GROWTH PHASES WITH PREMIUM DUAL SERUM

LIKE BROW SHAPING SOAP

Brow-lifting effect, can be used in the salon for styling eyebrows (for even more beautiful photos) and for selling to clients, e.g. after a brow-lifting application.

The **Like Brow Shaping Soap** is perfect for fixing eyebrows. It is colourless, odourless and transparent. With Brow Shaping Soap you get eyebrows that are attractive, brushed and elegant. Sufficient for hundreds of applications.

Application:

1. Moisten the brush with a little water and rub the surface of the "soap".
2. Brush the eyebrows into the desired shape. Once the product has dried, the eyebrows will keep their shape throughout the day. You can correct the shape or any gaps with a pencil or coloured powder.

Contents: 20 g. - Sufficient for hundreds of applications.
Including 1x brush
